THE proprietor, in calling the attention of the public to this preparation, does so with a feeling of the utmost confidence in its virtues and adaptation to the disease for which it is recommended.

It is no new and untried article, but one that has stood the test of a 'ten years' trial before the American people, and its reputation and sale is undiminished.

testimony in its favor given by the most prominent and well-known Physicians and Individuals in all parts of the country is immense, and a careful perusal of the *Albionist*, published annually by the proprietor, and to be had gratis of any of his Agents, cannot but satisfy the most skeptical that this remedy is really deserving the great celebrity it has attained.

**A STAPLE ARTICLE.**  
We would call the attention of our friends to the following:  
**HAVERHILL, MASS., Feb. 7, 1857.**  
Dear Sir—Permit me the pleasure of asking to you the gratification I have in vending, and the universal favor, "Hoodland's German Bitters" meet with, by nearly every person who has had occasion to test the

business in this vicinity. This establishment has been the Agency of your Medicine since 1850, and I can safely say, there has been no remedy placed before the public within the scope of my knowledge, that has met so much general favor, and so uniformly as the German Bitters. I have no hesitation in recommending them to our countrymen, suffering with disease here. Which they are appreciative, feeling confident from past experience that they will do so, and even more than is promised by them. In Dyspepsia and Liver Complaint.

Compare it with any other. To Druggists I can recommend them as a safe investment, and to the public as a truly worthy remedy.

To Dr. C. M. Jackson, Very truly yours,  
C. B. EMERTON

Are you afflicted with *Nervousness, Dyspepsia, Want of Energy, Weakness, Dizziness, or Sick Headache*. Read the following:

J. M. Hushizer, Doylestown, Pa., June 2, 1904 says:—“My wife has been afflicted with a Nervous Debility since September, 1897, since which time I have been unable to find any physician or medicine that would benefit her in the least, until one day I read of the story of Dr. Harvey, of this town, for manufacture of Iron, and decided to try his medicine. My wife, he then handed me a lot of papers to read among which I found one describing Hodgkin's Dis-

him, and she proved to state that the use of the E-  
force has done more good than all the medicine she has  
heretofore taken. I wish you to send me half a dozen  
bottles.<sup>24</sup>
